LUDHIANA, NOVEMBER 7

ABOUT 300 patients were examined at a free medical camp organised by a team of doctors from DMC and Hero DMC Heart Institute (HDHI) at Rupalon village near Doraha, in association with Krishan Breast Cancer Care Charitable Trust.

Patients suffering from breast cancer, heart disease and gynaecological problems

specially benefited as super-specialists from these streams were available at the camp. A medical specialist dealt with general medical complaints. Patients from about 10 villages surrounding Rupalon came to the camp.

The doctors who attended the camp were Chief Cardiologist from HDHI Dr G.S. Wander. Besides examining the patients, he provided them counselling to have a healthy heart.

He said that in countries where deaths from heart attacks have significantly come down over the last 30 years, it has been largely the result of taking to a healthy lifestyle.

The doctors from DMC who participated in the camp were Dr J.S. Sekhon and Dr G.S. Brar, both from Department of Oncology, Dr Narinder Jain from Department of Medicine and Dr Shweta Gupta from the Gynaecology unit.
